FLBB Coaching Newsletter

May 2026

Dear coaches & club officials,

the end of the season is around the corner and we hope everyone enjoyed this past season as much as we did.

March - April recap

On 18 April, 14 highly dedicated volunteers participated in our first **FIBA Live Stats course**. Our experts **Pit Ries & Noé Perrard** combined theory and hands-on practice to educate, train and recruiting new statisticians for our basketball clubs. Congratulations to Baniene Lina, Bausch Marc, Biever Lynn, Boisclair Yves-Martin, Kambiré Dion Yele Florent, Dostert Gilles, Pellegrino Gianluca, Jung Valentine, Kieffer Sam, Laouiti Mahamed Louay, Leal Da Silva Jessica, Rehak Marcel, Schuler Jackie and Streef Marie for their investment!

Player development trainer **Joerik Michiels** was back in Luxembourg on April 30 and May 1! In collaboration with INAPS, he did not run a classic coaching clinic but a completely new educational format. **The Art of Practice Design** workshop made the 20 participants and LUXQF4 aspiring coaches think, design and solve real coaching problems. The coaches left with a framework they can use every practice.

Upcoming events

Great news! The FLBB is proud to host an exclusive coaching clinic with **Vincent Collet at INS on June 26**. Recognized as one of Europe's leading coaches, Vincent Collet brings a wealth of experience from the highest levels of international and professional basketball. This clinic will offer valuable insights into coaching approaches, game strategy, and player development.

Don't miss this unique opportunity to learn and gain inspiration from one of the game's top experts. Don't wait to **sign up**!

Other great news! On **27 June 2026**, the INAPS will relaunch the ***national trainer day*** at INS. There will be Basketball-specific and general lectures and workshops. The day will conclude in a friendly and informal atmosphere, bringing together coaches from different sports for an exchange in the spirit of our Coaches Conversations & Coffee gatherings. Please take a look at the event **flyer** and don't hesitate to register as soon as possible for the **workshops** as the spots will be limited. We hope to see many of you at that occasion!
