

PORTUGIESISCHER COACH DES „FIBA U14 GET TOGETHER“ ALS REFERENT IN LUXEMBURG

HOCHRANGIG BESETZTE COACH CLINIC FÜR MINIBASKETBALL IN NIEDERANVEN

Die FLBB richtet eine internationale Coach Clinic mit dem Schwerpunkt Minibasketball am 4. und 5. Juli in Niederaanven aus. Integriert in das FIBA Projekt der FLBB für U12 Jungs und Mädchen wird an zwei Tagen speziell über das Thema „Minibasketball“ referiert. Zielgruppe sind Trainer und Lehrer, die speziell in diesem Altersbereich arbeiten.

Dabei ist es gelungen, mit António San Payo Araújo aus Portugal einen internationalen Coach, der schon bei mehreren FIBA Coach Clinics referiert hat, nach Luxemburg zu verpflichten. Ben Rush (Australien/FLBB/Coach weibliche Jugend) und Yves Grandjean (Luxembourg/FLBB/Sports Etudes und CFBB U14 Men) runden mit zwei praktischen Referaten die Veranstaltung ab.

Um allen Coaches der FLBB und dem benachbartem Ausland den Zugang zu dieser Coach Clinic zu ermöglichen, wird keine Gebühr erhoben!

Zur entsprechenden Planung sollen sich interessierte Coaches per E-Mail oder per Fax anmelden:
