♥ Relais pour la Vie AdABL Remote Group

This year, AdABL is taking part again in the “Connected” Relay for Life on 21 March 2026.

Instead of running laps at Coque for 24 hours, our relay comes from basketball games that will stretch far beyond 24 hours of play! 🏀💪

🎯 Our Goals:

- ✓ Move – Our games are our relay!
- ✓ Raise Funds – Let’s support the Cancer Foundation Luxembourg 💰♥
- ✓ Have a drink together – **Post-game drinks to wrap it up in Contern @Henckes after the Saturday games**

💡 Want to contribute or join?

- Drop a message to Julien at **661 83 5234** or julienmalane@gmail.com ✉
- Chip in 💵 or simply show up to support! Let’s make an impact together!

💰 How to Donate:

We collect donations via Payconiq to Julien. He’ll gather everything and make one big donation to the Cancer Foundation Luxembourg.

- Suggested donation: 30€ or your game fee (but every Euro counts!).

Last year we raised 1750€! Let’s aim for that again in 2026! 💪

Thanks again for being a part of the AdABL community.

Warm regards,

The AdABL Committee
