Comments about the game:

FINLAND – LUXEMBOURG 112-52 (26-11, 25-16, 25-14, 36-11)

This score is in no way an indication that this team from Luxembourg was not ready to play today. After a set back in attitude the day before that cost them another win. The team from Luxembourg put that all behind them vs Finland and tried their very best.

The problem was that while their minds and hearts were willing their bodies were not. They have really given their all.

Finland was a tough opponent and played behind one of the great shooting performances of the tournament. By Topias Palmi who scored 60 points and was 12 of 22 from the three point line.

Luxembourg started with a fight but could not maintain, the physicality of the Fins was too much on this day. After not scoring for a 4 minute period the game started to slip away, but not from a lack of trying the guys gave it their all, just at this point there is not much more they can give.
